WASHINGTON, D.C.

ORDER NO. 2710

IN THE MATTER OF:

Served June 4, 1985

Amendment of Certificate of Public)
Convenience and Necessity No. 118)
to Effect a Change of Name)

Case No. MP-85-09

By motion filed May 1, 1985, The Airport Connection, Inc., of Maryland ("TAC-MD") requests that the Commission record a change of corporate name to The Airport Connection, Inc., II ("TAC-II"). As reason therefor, TAC-MD states that at the time it filed the application which was the subject matter of Case No. AP-84-46, Application of The Airport Connection, Inc., of Maryland for a Certificate of Public Convenience and Necessity to Conduct Special Operations -- Greenbelt, Md., which resulted in the issuance of Certificate No. 118, TAC-MD had filed proposed Articles of Incorporation with the State of Maryland identifying it as The Airport Connection, Inc., of Maryland. Subsequent to the Commission's issuance of Certificate No. 118 to TAC-MD, that company was advised by the State of Maryland that the requested name was considered to be in use by its sister corporation, The Airport Connection, Inc., which had been authorized to do business in Maryland. The Articles of Incorporation were resubmitted in the name of The Airport Connection, Inc., II, and have been accepted.

THEREFORE, IT IS ORDERED that a revised Certificate of Public Convenience and Necessity No. 118 shall be issued to The Airport Connection, Inc., II.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS WORTHY, SCHIFTER, AND SHANNON:

WILLIAM H. MCGILVERY
